Meet our Campus Branch Team

Good news! Our drive thru and ATM at the new Campus Branch are now open, Mon-Sat, 9am to 6pm. We've still got some work to do inside so the lobby will open soon, but the Campus Branch team is ready to say hi.

- Ashley Rewinkel is the branch manager and personal banker. She's been busy getting things ready while also volunteering in the community and raising a family.
- Kristy Otte is the Head Teller and has been part of our bank family for over 40 years. She looks forward to seeing her regular customers again while meeting new faces.
- Alyssa Kozak is our Customer Relations Representative and Operations Assistant. She graduated from WSC and is putting roots down in Wayne with her fiancé.

We're thrilled to have all three of these amazing employees to welcome customers and the community to our new branch.

When is Medicare Open Enrollment? How do I get a flu shot?

The dates for Open Enrollment are Oct 22 and Nov 12 at PMC Outpatient, 9am-3pm. Call the Senior Center at 402-375-1460 to set up an appointment or you can call the PMC Social Service Dept at 402-375-7938. Space is limited, but they will help as many as they can. They will screen all individuals for COVID-19 symptoms and masks are required.

Providence Community Pharmacy is also providing a "Drive Thru" flu shot clinic, Friday, Oct 9 and Friday, Oct 23, 9am-12 noon at the Wayne Senior Center. There will be a short screening and consent form that the PMC staff will require and a verbal authorization for consent. PMC staff will also take a picture of your Medicare or Medicare Advantage card so there is no passing of documents back and forth for safety reasons. Remember to have your card available. No reservations or paperwork are needed ahead of time.

It's time to put your health first!
