

Permission to Open Savings Account

Wayne Community Schools and State Nebraska Bank & Trust, in partnership with the Nebraska Council on Economic Education, are offering an in-school savings program for students called the State Nebraska Bank & Trust Blue Devil Branch. With your permission, your student will be able to open a savings account at school.

Here are important things to know about this “Bank in School” program:

1. All money deposited is under one large Wayne Community Schools umbrella account. Information about each child’s deposits is kept confidential and separate.
2. This savings account is only active at the SNB Blue Devil Branch.
3. Withdrawals are only allowed when the student leaves school or graduates from 6th grade. At that time, a check will be issued for the student’s account balance.
4. The bank is open different days of the week depending on which grade your child is in:
 - Wayne Elementary School: mid-September to April every Thursday at 7:30am.
 - Early Learning Center: mid-October to April every Tuesday at 7:30am.
5. Cash is encouraged, but coins limited to one small snack-size bag are acceptable.
6. Each student has an account register where bank tellers record deposits and track incentives.
7. In lieu of interest, students receive incentives from State Nebraska Bank & Trust based on frequency of deposits.
8. Upon your student’s first deposit into an account, **State Nebraska Bank & Trust will deposit \$5** into the student’s account as an incentive to participate in the program.
9. Wayne Community School students serve as tellers at each school and are supervised by bank employees and school staff:
 - Wayne Elementary School: 5th & 6th graders serve as tellers.
 - Early Learning Center: 7th & 8th graders and high school FLBA students serve as tellers.
