Why Choose Us?

Personalized Service

We build real relationships. You'll work directly with a local trust officer who knows your family, your values, and your goals — not a call center.

Local Decision-Making

All trust decisions are made right here in Wayne, Nebraska — no waiting on a corporate office in another state.

We've been serving families for generations, with proven knowledge in trust administration and responsibilities.

Fiduciary Duty

As a corporate trustee, we are legally bound to act in your best interest — with objectivity, integrity, and accountability.

Professional Investment Oversight

We can provide professional management of trust assets, helping protect and grow your wealth according to your wishes.

Impartiality in Family Matters

We help reduce family conflict by acting as a neutral, unbiased third party in sensitive financial and distribution matters.
