Dear KAKI

**What is the Dolly Parton Imagination Library?**

In 1995, Dolly Parton launched an exciting new effort, Dolly Parton's Imagination Library, to benefit the children of her home county in East Tennessee, USA. Dolly's vision was to foster a love of reading among her county's preschool children and their families.

Dolly Parton's Imagination Library sends more than one million books per month to children around the world inspiring them to Dream More, Learn More, Care More and Be More.

Last month, Dr. Kim Snyder from WSC started the program in Wayne County with the help of the Wayne State Foundation and the Wayne Rotary Club. Together they hosted a launch party for families in Wayne County to sign their children up for the program. Under the program a child five and under will receive a new age appropriate book each month with their name on the book. This program has the support of the Wayne Kiwanis Club, Wayne Area Legacy Fund and the Wayne Rotary Club. You can sign a child up in Wayne County through the website [ImaginationLibrary.com](http://ImaginationLibrary.com) or by contacting Abbie Baack at 402-369-1874 or [abbaack1@wsc.edu](mailto:abbaack1@wsc.edu). If you know a child who would benefit by this program, encourage their family to sign them up!
